## DEDICATION...

How often many of us have wished to be out in the world on our own, but now the time is approaching when the final step is nearing, and now that it has arrived we stop, think, and wonder what is ahead of us in the years to come; and also we remember that never again, no matter what way of life we choose, will we be able to relive the last four years of our high school life.

For his outstanding ability and leadership throughout all his years at Campbell Union High School, we the graduating Seniors wish to dedicate this 1952 Oriole to Mr. Ralph Noddin. We appreciate all the help he has given us, not only as an individual, but also to all the student body, as a friend, a coach, and a teacher.

So, in this, the closing book of our high school days, again we wish to express our sincere gratitude and appreciation. Thank you and farewell, Mr. Ralph Noddin.

## PRINCIPAL'S MESSAGE

MR. LAURANCE HILL

The school year of 1951-1952 marks an important milestone in the history of Campbell Union High School. During this year we were able to use our swimming pool, girls' gymnasium, music building, home economics building, and new athletic field for the first time. The use of these facilities has strengthened our educational and recreational program.

These additions to our school have been enthusiastically received by you, and I wish to congratulate you on your interest and care in maintaining our entire school. The seniors are to be particularly commended for their help and cooperation in all phases of our school life.

It is with regret that we say good-bye to our seniors. You have been a wonderful group as is indicated on the pages of this excellent memory book. Speaking for the entire school staff and myself, we wish you every success for the future and hope you will return to see us often.

## CLASS ACHIEVEMENTS

We Seniors who usually run second to none, had to bow to the large Freshman class in the student body elections.

The Seniors produced one of the best plays that has been put on here. It was an all senior cast and crew for the big production which was "George Washington Slept Here."

The senior gift this year was a \$200 spotlight which was presented to the student body before the senior play so that it could be used that night.

Toward the end of the school year the main halls in the building were quiet, not many lockers were being slammed. Most of the people were wondering what happened to the Seniors. We were on our sneak day while all the others worked like mad at school.

It is with sadness that we bid good-bye to the school that for four years has been ours.

As Freshmen, we the Class of "53" started out with a big bang. The "Frosh" dance was a huge success along with the food sale.

During our next year, we held the first Mother and Daughter Tea ever given by the Sophomores at Campbell High.

The juniors' set the most outstanding record, not only at Campbell High, but for all of California in the magazine sale.

Another great event for the juniors was "Moonlight in May" theme for the Junior Prom.

## CLASS ACHIEVEMENTS

There were hearts, ribbons, cupids and all the trimmings at the Valentine dance sponsored by the Freshmen. The theme was "Sweethearts."

I know all you seniors remember the day of the last Student Body election. The Freshmen seemed to have come out on top with a percentage of over 90.

There was a Freshman Valentine Mother and Daughter Tea which was a success and was enjoyed by all who attended.

Freshmen are noted for many things, but one which we are proud of is our school spirit. We are all proud to be known as Campbell High Freshmen.

### SCHOOL SONG

Give a cheer for Campbell Hi  
As we go marching on to victory  
We are the fighting Buccaneers  
Whose courage and strength desires those cheers  
So come on red and blue  
We'll pull for you  
We will never, never say die  
So keep our team roaring  
Keep our team scoring  
We're all for you Campbell Hi.
